Course Description :

The Made in Crisis course, by renowned motivational speaker and leadership coach Qaiser Abbas, is designed to equip individuals with the tools to thrive in challenging times. The course offers practical strategies for turning adversity into opportunity, fostering resilience, and leading effectively during crises. Through a combination of real-life case studies, interactive exercises, and actionable insights, participants will learn how to not only survive but also excel when faced with personal, organizational, or societal crises.

Learning Objectives:

- **Reframe Crises as Opportunities:** Understand how to shift perspectives and identify growth opportunities during challenging times.
- **Build Resilience:** Develop personal and professional resilience, enhancing the ability to recover from setbacks and adapt to change.
